CHURCH CAR PARK CONTROLS

You may have noticed new signage in the churchyard. On weekdays our car park is used by local businesses which provides an important income to St George's. To protect this arrangement from encroachment by unauthorised users the PCC have engaged Watch Systems who manage security for the Calthorpe Estate. From Tuesday 3rd April you must display a permit in your car if you are visiting church on a weekday. Please see Charles Williams if you need a temporary visitor's permit and do read the article in the March Magazine for the background to this decision. As St George's parkers, please continue to use the front section of the car park (by the south door) during weekday working hours.
